ABOUT US

Greenstar Industry is an authorized supplier and dealer of **GO GAS LPG**, providing industrial LPG solutions across Pune and surrounding industrial areas. In addition to LPG, we supply **LDO (Light Diesel Oil)** to industrial customers requiring reliable, flexible, and scheduled fuel supply.

Our product portfolio is designed to support a wide range of industrial applications, from regular cylinder requirements to bulk LPG and high-volume LDO tanker supply.

We understand that every industry has different fuel consumption, storage, application, and delivery requirements. Accordingly, we provide flexible supply solutions designed around individual customer needs.

01 | INDUSTRIAL LPG SUPPLY

➔ GO GAS - INDUSTRIAL LPG

Greenstar Industry supplies GO GAS industrial LPG in multiple cylinder capacities and bulk supply formats to meet the requirements of manufacturing and other LPG-consuming industries.

LPG Supply Options

- **19.2 Kg LPG Cylinders**
- **33 Kg LPG Cylinders**
- **50 Kg LPG Cylinders**
- **425 Kg LPG Cylinders**
- **Bulk LPG Supply**

01 | INDUSTRIAL LPG SUPPLY

→ INDUSTRIAL LPG

Our LPG supply solutions are suitable for industries requiring LPG for heating, processing, production, and other industrial applications.

01 | INDUSTRIAL LPG SUPPLY

→ LPG Supply Solutions

We provide:

- Regular LPG cylinder supply
- Bulk LPG supply
- Scheduled deliveries
- Customer-specific supply arrangements
- Industrial LPG delivery coordination
- Supply based on consumption requirements
- Flexible delivery planning based on storage capacity

Our objective is to support customers with dependable LPG availability and efficient delivery coordination.

02 | INDUSTRIAL LDO SUPPLY

→ LDO - LIGHT DIESEL OIL

Greenstar Industry supplies LDO to industrial customers across Pune and surrounding industrial areas.

Our LDO supply options are designed for customers with packaged, regular, bulk, and high-volume fuel requirements.

LDO Supply Options

- **200 Litre LDO Barrels**
- **12 KL LDO Tanker Supply**
- **22 KL LDO Tanker Supply**
- **24 KL LDO Tanker Supply**
- **Bulk LDO Supply**
- **Regular LDO Supply**
- **Scheduled LDO Deliveries**
- **Customer-Specific LDO Supply Solutions**

02 | INDUSTRIAL LDO SUPPLY

→ 200 Litre Barrel Supply

LDO is available in 200 Litre barrels for customers requiring packaged industrial fuel supply according to their storage and consumption requirements.

→ LDO Tanker Supply

For customers with higher consumption requirements, LDO can be supplied through:

- **12 KL Tankers**
- **22 KL Tankers**
- **24 KL Tankers**

Tanker deliveries can be coordinated according to customer consumption, storage capacity, delivery requirements, and agreed schedules.

→ Bulk LDO Supply

For customers with higher and regular fuel consumption, we provide bulk LDO supply with delivery arrangements coordinated according to operational requirements and consumption patterns.

02 | INDUSTRIAL LDO SUPPLY

→ 200 Litre Barrel Supply

LDO Tanker Supply

03 | INDUSTRIAL APPLICATIONS

Our LPG and LDO supply solutions can support a broad range of industrial applications, including:

- Casting Industries
- Steel Plants
- Sintering Industries
- Foundries
- Engineering Industries
- Manufacturing Industries
- Fabrication Industries
- Paint Industries
- Composite Plants
- Heat Treatment Industries
- Industrial Heating Applications
- Other LPG-Consuming Industries

We work with customers to understand their individual fuel requirements and coordinate appropriate supply and delivery arrangements.

04 | PRODUCT & SUPPLY FLEXIBILITY

Greenstar Industry provides multiple product and delivery options to accommodate different industrial requirements.

PRODUCT	SUPPLY FORMAT
Industrial LPG	19.2 Kg Cylinders
Industrial LPG	33 Kg Cylinders
Industrial LPG	50 Kg Cylinders
Industrial LPG	425 Kg Cylinders
Industrial LPG	Bulk LPG
LDO	200 Litre Barrels
LDO	12 KL Tankers
LDO	22 KL Tankers
LDO	24 KL Tankers
LDO	Bulk supply

05 | DELIVERY & LOGISTICS

Our transportation and logistics capabilities support regular and bulk industrial fuel requirements.

We provide:

- Safe and reliable transportation
- Scheduled deliveries
- Regular supply support
- Bulk delivery coordination
- Customer-specific delivery planning
- Trained and experienced drivers
- Efficient transportation coordination
- Delivery based on customer requirements

Our logistics approach is focused on maintaining dependable product availability and supporting customers' operational requirements.

VISION

→ LONG-TERM VISION

Our long-term vision is to establish **Greenstar Industry as one of the most trusted and preferred industrial LPG supply partners in Pune** and, over time, expand our presence across major industrial regions of Maharashtra.

We envision building a professionally managed LPG supply organization recognized for **reliable products, timely delivery, efficient transportation, competitive pricing, flexible supply solutions, and excellent customer service.**

We aim to become a trusted long-term partner for casting, steel, foundry, engineering, manufacturing, fabrication, paint, heat-treatment, composite, and other LPG-consuming industries by understanding their individual requirements and providing solutions that support their business operations.

VISION

As we grow, our vision is to strengthen our supply and distribution capabilities, expand our service network, adopt improved technologies and systems, develop a highly skilled and safety-conscious workforce, and maintain high standards of responsible LPG handling and transportation.

Our ultimate vision is to create a **strong, sustainable, professionally managed, and widely recognized industrial LPG supply network** where customers can depend on Greenstar Industry for their regular and bulk LPG requirements today and for many years to come. We aim to grow responsibly while maintaining our commitment to safety, reliability, quality service, regulatory compliance, customer satisfaction, and long-term business relationships.

→ OUR VISION IN BRIEF

Trusted Partner | Reliable Supply | Professional Service | Safe Operations | Strong Logistics | Sustainable Growth | Long-Term Relationships

OUR CORE VALUES

Safety

We maintain a strong focus on safety throughout LPG handling, transportation, storage, and delivery. Safety remains an essential part of our operational approach.

Reliability

We strive to provide consistent and dependable LPG and industrial fuel supply to support our customers' regular operational requirements.

Customer Focus

We understand that every industry has different fuel consumption, storage, application, and delivery requirements. We work to provide solutions that are aligned with each customer's specific needs.

Integrity

We conduct our business with honesty, transparency, accountability, and professional ethics. We believe trust is the foundation of every long-term business relationship.

Timely Service

We recognize the importance of timely fuel availability for industrial operations and work to coordinate deliveries according to agreed schedules and customer requirements.

Professionalism

We maintain professional standards across our people, transportation, logistics, communication, and customer service.

Long-Term Relationship

We aim to build lasting relationships with our industrial customers through consistent service, transparency, reliability, and mutual trust.

Continuous Improvement

We continuously work to improve our supply systems, logistics capabilities, transportation processes, operational efficiency, and customer service standards.

Responsible Business

We are committed to responsible business practices, appropriate safety procedures, regulatory compliance, and the responsible handling and transportation of industrial fuels.
